

Risk Assessment for Tomahawk Activity - version October 2024

at Braggers Wood campsite and activity centre

Hazards and who is at risk	How will the risks be controlled?
TSA rules	<p>1. The activity must be run following all POR rules and TSA guidance. In particular, but not exclusively:</p> <ul style="list-style-type: none"> ● The leader-in-charge will be the appropriately knowledgeable activity leader, or if two, one should be assigned. They must ensure all people in the range are briefed on the risk assessment and safety measures. They must do dynamic risk assessments throughout the activity. ● A first aider, trained to First Response level should be in attendance and the location of a first aid kit known. ● All faulty equipment, near misses, accidents and incidents must be reported to the Camp Warden without delay. ● Any Braggers Wood committee member or any senior member of Christchurch District may stop the activity or the use of the range if they deem it unsafe and their decision is final.
<p>Risk of injury when transporting, transferring and storing equipment - All at risk</p> <p>Risk of injury due to issues with range and conditions - All at risk</p> <p>Risk of injury from equipment - All at risk</p>	<p>2. The camp warden may only allow access to the range and the equipment box for an activity, to activity leaders. 3. The transport of the equipment to and from the range should be managed by the camp warden or his deputy, and the equipment box should remain locked.</p> <p>4. Tomahawks must be returned to the locked equipment box, returned to the camp warden or his deputy, to take to the store and the store must be locked.</p> <p>5. The instructor should check the integrity of the fencing, the ability of the gate to lock, the stability and suitability of the targets and the throwing line, and that the throwing equipment is not faulty before starting an activity.</p> <p>6. The activity leader should check the suitability of the weather before starting an activity.</p> <p>7. Tomahawk throwing must only occur in the designated range onsite.</p> <p>8. Only the site-provided tomahawks may be thrown, NOTHING ELSE.</p> <p>9. This range requires a minimum of one appropriately knowledgeable activity leader and a scout adult member to supervise those waiting.</p> <p>10. The appropriate knowledgeable person must be as TSA guidance, Activity leaders from outside Christchurch District must show proof of their training to the Camp Warden.</p> <p>11. The Scout adult member must hold a DBS and current safety training.</p> <p>12. This range must only have 10 throwers per group, 5 per target.</p>
